Union County also provides for recycling at the centrally-located Transfer Station on Deep South Farm Road.

In addition to the recyclables collected at your neighborhood fire station/voting precinct, the transfer station accepts the following materials:

- Glass—clear, brown, green. Must be sorted
- Cardboard—Corrugated cardboard, must be broken down

This program financed by the Georgia Environmental Facilities Authority, The Union County Commissioner and The North Georgia Resource Mgmt. Authority

MATERIALS WE ACCEPT AT THE NEIGHBORHOOD DROP-OFF SITES

MIXED PAPER

Newspaper, copy paper, white paper, color paper, envelopes, fliers and any other office or "junk mailings" are accepted. Magazines, catalogs and thin paperback books are also accepted. *If you can tear it, we can take it!*

Paperboard such as cereal boxes, soft drink boxes, etc. should be placed in the Mixed Paper bin.

DO NOT bundle paper with string or leave in plastic bags. No hardback books, metal bindings or plastic of any kind should be put in this bin.

ALUMINUM CANS

Please rinse and flatten aluminum cans before placing in bin. They should be thrown in loose. Please empty your cans out of plastic bags or other containers.
